

Sissonville Fire & Rescue School

6th Annual Sissonville Fire & Rescue School

Sponsored by:
West Virginia University
Fire Service Extension

Classes Held Over Two Weekends

March 2-4 and March 9-11, 2012

Fire Service Extension
West Virginia University.

"One of the best fire academies in the US" - Fire Fighter Training Headquarters

Welcome!

We would like to invite all Fire, EMS, and Law Enforcement personnel to the **6th Annual Sissonville Fire & Rescue School** in March 2012. In 2011, we trained over 700 first responders from West Virginia and surrounding states.

This year we have teamed up with West Virginia University Fire Service Extension to offer Pro Board Certification for many of our courses.

Also, new this year we are hosting a Blended Learning version of Firefighter I where you will begin the course at your own home. You would simply need to report to the Sissonville Fire & Rescue School campus on the first Friday evening to begin the practical scenarios and take your written examination. See Course Number 001 for details.

Earlier this year, Firefighter Training Headquarters (<http://www.firefightertraininghq.com>) released a statement advising that "Sissonville Fire and Rescue School offers one of the best fire academies in the US".

General Assembly: All students, instructors, and staff must be present for General Assembly on the first Saturday morning - March 2, 2012 - at 8:00am for announcements.

Free T-Shirt: All students who submit their registration to us by February 20, 2012 will receive a Free Fire School T-Shirt. Any registrations received after this date will not be guaranteed a shirt.

Refunds: No refunds will be given unless all three of your choices for a particular day are canceled or full. All refund requests must be made in writing and submitted via U.S. Mail with your Fire Chief's (or other designee's) signature.

Tuition Discount: The discount refers ONLY to Two/Three Day Courses and not the Two Weekend courses. If you sign up to attend a Two/Three day course each weekend you will be given a \$30.00 discount making the total tuition price \$100.00. Friday evening courses must still be added to the tuition price.

Meals: Lunch will be provided to all participants on both Saturdays. Lunch on Sunday will be on your own. Refreshments will be available on both Saturdays and Sundays.

Pro Board Certification: The courses shown in this brochure that have a Pro Board logo behind the description are the only courses being offered with Pro Board certification. Those classes will be offered with state certification unless you specify at class time that you wish to obtain Pro Board Certification. There will be an additional \$25.00 fee that will be due during the class if you wish to obtain Pro Board certification.

= Junior Firefighters are eligible to attend the course.

= Course submitted for approval of EMS In-Service Hours.

= Course submitted for approval of Law Enforcement In-Service Hours.

Directions

From Parkersburg: Take I-77 South to Tupper's Creek Exit 111. Make a right at the bottom of ramp onto Call Rd. Go approximately 1.5 miles to stop sign and make a Right turn on Sissonville Dr. (CR-21). Go approximately 1.5 miles to the stop light in front of Sissonville High School and make a left onto Martins Branch Rd. Go 50 yards and make the left hand turn to enter the Sissonville High School parking lot.

From Morgantown: Take I-79 South to I-77/I-79 split. Take I-77 North to Tupper's Creek Exit 111. Make a left at the bottom of ramp onto Call Rd. Go approximately 1.5 miles to stop sign and make a Right turn on Sissonville Dr. (CR-21). Go approximately 1.5 miles to the stop light in front of Sissonville High School and make a left onto Martins Branch Rd. Go 50 yards and make the left hand turn to enter the Sissonville High School parking lot.

From Beckley: Take I-77 North through Charleston to Tupper's Creek Exit 111. Make a left at the bottom of ramp onto Call Rd. Go approximately 1.5 miles to stop sign and make a Right turn on Sissonville Dr. (CR-21). Go approximately 1.5 miles to the stop light in front of Sissonville High School and make a left onto Martins Branch Rd. Go 50 yards and make the left hand turn to enter the Sissonville High School parking lot.

From Huntington: Take I-64 East to Cross Lanes Exit 47B. Continue on Goff Mountain Rd. through traffic light onto Big Tyler Rd. Go approximately 5 miles to traffic light at Rocky Fork Rd. and make a left. Go approximately 4 miles until a fork in the road at intersection of Kelly's Creek Rd. and Martins Branch Rd. Make a right onto Martins Branch Rd. and go approximately 4 miles and Sissonville High School will be on right just before the traffic light at Sissonville Dr. (CR-21).

Two Weekend Classes
(March 2-4 and 9-11, 2012)

FIREFIGHTER I - BLENDED LEARNING

CLASS NO. 001 INSTRUCTOR: RAY CANAFAX AND JAN RADER

TUITION: \$125.00 BOOK: \$25.00 PRE-REQUISITE NONE

120 HOURS

FRI 5P-10P

SAT 8A-6P

SUN 8A-6P

BOTH WEEKENDS

This course is designed to meet the job performance requirements of NFPA 1001, 2008 Edition. Students will learn the fundamentals of firefighting skills through this blended learning course which will combine online learning with intense practical application. The course is designed to assist students with obtaining certification through a self-paced style of instruction and includes certification in Firefighter Level 1, First Aid and CPR, Hazardous Materials Awareness, and Hazardous Materials Operations. All students will be eligible for **Pro Board** certifications upon successful completion.

YOU WILL BE REQUIRED TO REGISTER FOR THIS COURSE NO LATER THAN FEBRUARY 17, 2012. THIS RULE HAS BEEN SET BECAUSE YOU MUST COMPLETE THE ONLINE PORTION OF THE CLASS BEFORE STARTING THE PRACTICAL EVOLUTIONS AT THE SISSONVILLE FIRE & RESCUE SCHOOL CAMPUS.

Jr.
Approved

FIREFIGHTER II

CLASS NO. 002 INSTRUCTOR: BRIAN GRIECO AND DOMINICK FRALEY

TUITION: \$100.00 BOOK: \$25.00 PRE-REQUISITE FIREFIGHTER I, HAZMAT OPERATIONS

40 HOURS

FRI 6P-10P

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

This course is designed to meet the job performance requirements of NFPA 1001, 2008 Edition. Students will learn advanced fundamentals of firefighting skills through this course which will combine lecture based learning with intense practical application including live fire training. All students will be eligible for **Pro Board** certifications upon successful completion.

Two Weekend Classes
(March 2-4 and 9-11, 2012)

FIRE OFFICER I / II

CLASS NO. 003

INSTRUCTOR: MARK DOTY AND RON SKIDMORE

TUITION: \$100.00

BOOK: \$35.00

PRE-REQUISITE: FIREFIGHTER II

48 HOURS

FRI 6P-10P

SAT 8A-6P

SUN 8A-6P

BOTH WEEKENDS

This course is designed to meet the job performance requirements of NFPA 1021, 2009 Edition. The Fire Officer I/II curriculum identifies the requirements necessary to perform the duties of a first-line to mid-level supervisor. This course introduces the student to the basic concepts of management and supervision by concentration on such topics as: Organizational Structure, Communication Skills, Human Resource Management, Public Relations, Planning, Emergency Service Delivery, Safety, information management, government structure, and department budget planning and management. Students meeting the proper prerequisites (Pro Board Firefighter II and Pro Board Instructor I) will be eligible for Pro Board certifications upon successful completion.

PRO BOARD ACCREDITED

FIRE OFFICER III

CLASS NO. 004

INSTRUCTOR: BUCKS COUNTY COMMUNITY COLLEGE

TUITION: \$150.00

BOOK: \$50.00

PRE-REQUISITE: FIRE OFFICER II, FIRE INSTRUCTOR II

46 HOURS

FRI 6P-10P

SAT 8A-6P

SUN 8A-6P

BOTH WEEKENDS

This course is specialized for the chief officer who is ready to advance into the upper management level of his/her department. This course consists of subjects designed to give the officer more knowledge of management and administration so that he/she can make basic evaluations of employee relations and assume a more proactive role in their department. This is a projects-based class. All students will be eligible for Pro Board certifications upon successful completion.

PRO BOARD ACCREDITED

Two Weekend Classes
(March 2-4 and 9-11, 2012)

FIRE INSTRUCTOR III

CLASS NO. 005 INSTRUCTOR: WVU EXTENSION SERVICES

TUITION: \$125.00 BOOK: \$50.00 PRE-REQUISITE FIRE INSTRUCTOR II OR EDUCATIONAL METHODOLOGY

32 HOURS

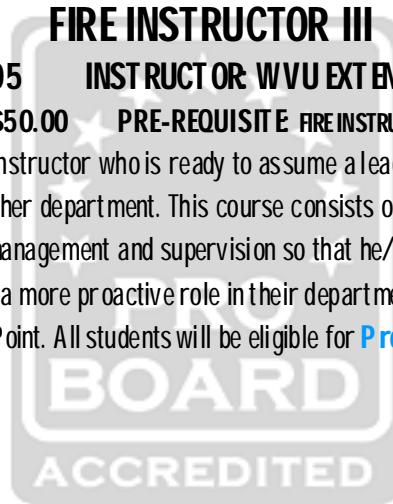

FRI N/A

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

This course is intended for the instructor who is ready to assume a leadership role by moving into the upper management level of his/her department. This course consists of subjects designed to give the instructor more knowledge of management and supervision so that he/she can make basic evaluations of employee relations and assume a more proactive role in their department. Laptop computer is required with Microsoft Word and PowerPoint. All students will be eligible for **ProBoard** certifications upon successful completion.

FIRE INSPECTOR I

CLASS NO. 006 INSTRUCTOR: EDESEL SMITH

TUITION: \$150.00 BOOK: \$50.00 PRE-REQUISITE NONE

40 HOURS

FRI 6P-10P

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

This Course is an entry level course for firefighters and other interested parties wishing to become more involved in the aspect of fire prevention, code enforcement, and inspections. This course is primarily designed for those entering into fire service inspections and would be extremely useful to city inspectors and company level officers. Some of the topics covered in this course include: Building Construction, Decorative Materials and Furnishings, Fire Drills, Inspection Procedure, Code Enforcement, and Fire Alarm and Communications. Students will be eligible for **Pro Board** certifications upon successful completion.

[HTTP://WWW.SISSONVILLEFIRESCHOOL.COM](http://www.sissonvillefireschool.com)

Two Weekend Classes
(March 2-4 and 9-11, 2012)

DRIVER / OPERATOR - PUMPER

CLASS NO. 007 INSTRUCTOR: STEPHEN HIMES

TUITION: \$125.00 BOOK: \$20.00 PRE-REQUISITE: EBOC, FIREFIGHTER I

40 HOURS

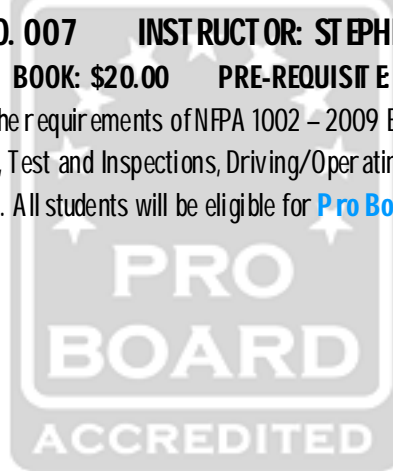

FRI 6P-10P

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

This course is designed to meet the requirements of NFPA 1002 – 2009 Edition. This course consists of six modules: Preventive Maintenance, Test and Inspections, Driving/Operating, Water Supply, Sprinklers and Standpipes, and Pump Operations. All students will be eligible for **Pro Board** certifications upon successful completion.

ROPE RESCUE I + CORE RESCUE PRE-REQUISITS

CLASS NO. 008 INSTRUCTOR: ED SANKBEIL

TUITION: \$100.00 BOOK: \$15.00 PRE-REQUISITE: FIREFIGHTER I (RECOMMENDED)

40 HOURS

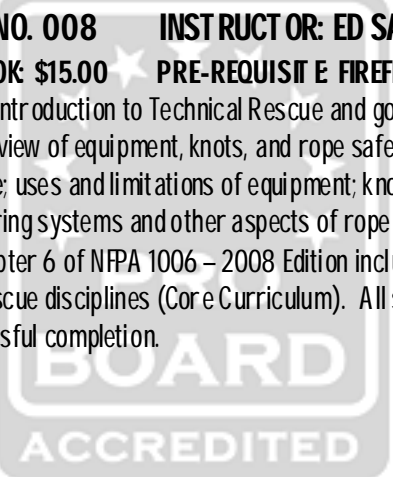

FRI 6P-10P

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

This is a course that begins with Introduction to Technical Rescue and goes into rope rescue techniques which will include a classroom review of equipment, knots, and rope safety. Instruction events include: establishing need for rope rescue; uses and limitations of equipment; knots; safety aspects; anchoring systems; rescue rappelling; lowering systems and other aspects of rope rescue. Course meets the requirements of Chapter 5 and Chapter 6 of NFPA 1006 – 2008 Edition including the Job Performance Requirement prerequisite for all rescue disciplines (Core Curriculum). All students will be eligible for **Pro Board** certifications upon successful completion.

[HTTP://WWW.SISSONVILLEFIRESCHOOL.COM](http://www.sissonvillefireschool.com)

Two Weekend Classes
(March 2-4 and 9-11, 2012)

CONFINED SPACE RESCUE I AND II

CLASS NO. 009 INSTRUCTOR: ROGER SHUTTLESWORTH

TUITION: \$100.00 BOOK: \$20.00 PRE-REQUISITE SEE DESCRIPTION

40 HOURS

FRI 6P-10P

SAT 8A-4P

SUN 8A-4P

BOTH WEEKENDS

Designed for both fire department personnel and private industry, this course provides responders with a comprehensive understanding of accidents involving a confined space. This course teaches the responder how to recognize the hazard, access the victim, stabilize the victim and the proper procedures for retrieval. Practical and classroom sessions focus on the three primary hazards associated with confined space rescue: physical, atmospheric, and physiological. Realistic training evolutions using the latest in equipment and techniques ensure student retention of this material. All students will be eligible for Pro Board certifications upon successful completion and proper prerequisite certification. Prerequisites are Hazardous Materials Operations, Core Curriculum (1006); or Equivalent Rope Rescue – Low Angle and High Angle Operations or Rope Technician Level Courses – Student must challenge NFPA 1006 Chapter 5 Exam.

HAZARDOUS MATERIALS AWARENESS / OPERATIONS

CLASS NO. 010 INSTRUCTOR: LANNY ADKINS

TUITION: \$100.00 BOOK: \$0.00 PRE-REQUISITE NONE

34 HOURS

FRI N/A

SAT 8A-5P

SUN 8A-4P

BOTH WEEKENDS

Designed for those persons who, in the course of their normal duties, could be the first on the scene of an emergency involving hazardous materials and who are expected to recognize the presence of hazardous materials, protect themselves, call for trained personnel, secure the area, protect nearby persons, the environment, or property from the effects of the release and who are expected to respond in a defensive fashion to control the release from a safe distance and keep it from spreading. This course meets the Standard on Professional Competence of Responders to Hazardous Materials Incidents 2008 edition. Students will be eligible for Pro Board certifications upon successful completion.

FRI 6P-10P

SAT N/A

SUN N/A

2ND FRIDAY

FIREFIGHTING TACTICS FOR FAST FOOD RESTAURANTS

CLASS NO. 201 INSTRUCTOR: GOLDA KIGER

TUITION: \$20.00 PRE-REQUISITE NONE

Fast food restaurants are a commonly found structure. Almost every district has at least one. Dozens of firefighters have been seriously injured or killed while operating at fast food restaurant fires over the years. This interactive program will identify specific fire ground strategies and tactics used while operating a fast food restaurant fire. Common and deadly building construction features, new trends in building construction, and values of pre-planning will be addressed.

FRI 6P-10P

SAT N/A

SUN N/A

2ND FRIDAY

HOW ATTITUDES IMPACT FIRE OPERATIONS

CLASS NO. 202 INSTRUCTOR: TIM HOLMAN

TUITION: \$20.00 PRE-REQUISITE NONE

Got any attitudes in your organization? You bet you do and negative attitudes have a huge impact on operations. Fire operations are a challenge and the last thing you need is bad attitudes standing in the way of success. This program will explore the many types of attitude that must be dealt with. It will show you how attitudes determine your success in emergency operations. It will also provide the steps to take to deal with attitudes.
